OFFICER REPORTS

Webmaster: Modified the repeater listing webpage. Front page has added weather link to Bob's station (W1GLV).

ARES: Tower mishap written up in ARRL. Hurricane exercise by Northern Florida section this Saturday. Gordon Gibby and Leland Gallup have been at EOC. They have to move equipment to another room. Extra preparation course on the 17th and 18th of this month.

Secretary: Received new ink cartridges.

Treasurer: We are solvent. WUFT donation will be made this month.

VP & repeater trustee report: Could use a program for the up coming meeting. There are intermittent issues with SARNET. Please report any SARNET issues to the repeater committee. Field Day log was submitted with help from a lot of people. Our numbers are similar or better to other local clubs.

OLD BUSINESS

future presentations- A gentleman with lots of early Morse equipment will provide slides someone else to give. Perhaps a presentation on SARNET operation. Will also invite the new emergency manager Hal Grieb to talk to the club. 0q

NEW BUSINESS

Fall Schedule of events- Elections will be in November. We need chairs for Veteran's Day, Picnic/JOTA and Operation Santa.
