OFFICER REPORTS
Webmaster: Everything is fine.
ARES: ARES has started Intro to Emergency Communications class. June 1st will have session on voice and digital messaging. The certification exam will be 4PM on June 15th. August 17th and 18th Gordon will host a class for extra exam. May 27th is state ARES conference. Gordon has been researching EOC noise issues.
Secretary: Have contact cards available for club members to pick up. Will be contacting public figures for Field day invitations and submitting public announcements. Let me know of any contacts you wish me to make.
Treasurer: Paid yearly contribution for corporate registration. QTH annual fee. The bank statement agrees with the report. This month's finances include a successful Hamfest. Report accepted.
VP & repeater trustee: Repeaters are working, but still have issues with SARs net. Had donation of hardline that will suffice for feedline up the WUFT tower.

OLD BUSINESS
Hamfest Success: Thanks to Larry Rovak, we had a very successful Hamfest. We had over 300 people in attendance. Board voted to donated $750 to tower repeater fund in anticipation of the upcoming tower climb.
Field Day: ARRL has 2019 Field Day mechandise for sale. Pete will place a club order for us. Place your order with Pete tonight or send him an email` by 5PM Wednesday the 29th. Greg Sporer is handling the food.
Motion to consider buying fire extinguisher and good first aid kit passed.
We need some certified CPR volunteers. GOTA station will be operational from 2PM until 6PM (when dinner event starts).
We will work with 2 stations plus additional GOTA station.

Program: Field Day logging software presented by Larry Rovak

Meeting adjourned 8:22 PM
